

STANDARD CONDITIONS OF SALE (Release date: March 25, 2025)

AvtechTye, Inc. (hereinafter referred to as AvtechTye) proposes to furnish the Purchaser the products (hereinafter termed "Products"), subject to the following terms and conditions.

1). DELIVERY: Unless otherwise agreed, AvtechTye will furnish its products F.O.B. its factory. Delivery to the transporting carrier shall constitute delivery to the Purchaser, and transfer of title subject to the provisions of paragraph 2, below.

If shipment or any other act or condition affecting payment shall be delayed on account of Purchaser, payment shall become due when Purchaser is notified that AvtechTye is ready to ship, and the product shall thereafter be held at Purchaser's risk and expense. If partial shipments are made, proportionate payments shall become due and payable on the partial shipment.

The specified shipment is subject to any delay on the part of the Purchaser in supplying AvtechTye with necessary data, or approved drawings as may be required, or any changes therein at the Purchaser's instance, and to delays due to causes beyond AvtechTye's reasonable control, including, but not limited to, acts of God, or acts of Purchaser, fires, floods, strikes, accidents, wrecks, delays in transportation, embargoes, car shortages, acts of civil or military authority, compliance with priority orders or preferred ratings issued by the U.S. Government, delay by supplier of material, shortages of material, unusually severe weather, or any inability to obtain necessary labor, materials or manufacturing facilities due to any such causes, and in the event of delay due to any such cause the time specified for shipment or completion shall be extended during the continuation of such delay and a reasonable time thereafter to allow for shipment or completion. If changes in specifications or drawings are made at the instance of the Purchaser, and accepted by AvtechTye, AvtechTye shall be entitled to an equitable adjustment in the price, delivery date, or both.

Delivery dates are approximate. Delivery dates and prices are based on prompt receipt of orders by AvtechTye and all information necessary to permit AvtechTye to proceed with work immediately and without interruption, and satisfactory assurance of compliance with the terms of payment agreed upon. Prices will be subject to adjustment in accordance with the provisions of the annexed price adjustment clause, if any.

2). TITLE: Without relieving the Purchaser from obligation to make payment as provided for and without reference to the form of invoice that may be used by AvtechTye, it is agreed that title, to the extent of a security interest in the Products furnished, is reserved in AvtechTye until the purchase price (including any extensions of payment whether evidenced by note or otherwise) shall have been fully paid in cash, and the Products shall remain personal property whatever may be the mode of its attachment to realty or other property, until fully paid for in cash, and the Purchaser agrees to perform all acts which may be necessary to perfect and assure retention of title in AvtechTye as aforesaid. In case of failure by the Purchaser to make any payment when due, it is expressly understood that it shall be optional with AvtechTye to take exclusive possession of the Products wherever found and remove same without legal process, all at the expense of the Purchaser. In the event of default by Purchaser the amount of damage to AvtechTye being substantial and difficult or impossible to ascertain, it is hereby agreed that any payments which may have been made to AvtechTye shall be retained by it as liquidated damages without prejudice to its right of recovery for further damage it may suffer from any cause arising out of such default.
